2019-2020 School Year

Notice no. 57:

The Education Bureau Announced Classes will Remain Suspended on 19th November 2019

The Education Bureau (EDB) announced that since there are still unstable factors affecting the roads and traffic conditions, classes of all schools (including kindergartens, primary schools, secondary schools and special schools) will remain suspended tomorrow (19th November 2019). The EDB reminded students to stay at home and not to wander in the streets. Students should stay away from danger. Parents please pay attention to the following arrangements:

1. Our school will still be open during the suspension of classes. Parents may send their children to school if needed. We will arrange staff to look after the students.
2. We encourage students to have some meaningful learning activities during the class suspension period. Our teachers therefore will update the self-learning materials and homework. Students can enter the school website to download the latest learning materials/homework, and finish the exercises.

3. During the suspension of classes, students should pay special attention to the school email and GoogleClassroom in order to keep close contact with teachers.
4. All after-school activities and tutorial classes from 20th November 2019 to 22nd November 2019 will be cancelled, and all students will be dismissed at 3:30pm.
5. The influenza vaccination which has been arranged on 12th November 2019 (Tuesday) will be re-scheduled to 22nd November 2019 (Friday).
6. Parents, please, also be reminded to pay special attention to the latest announcements of the EDB, on eClass and the school website.
